ARTICLE 1 RECOGNITION

Section A. The Windsor Locks Board of Education (the "Board") recognizes the UE Local 222, and its Sub-Local CILU #4, United Electrical, Radio and Machine Workers of America (UE) (the "Union") under Section 7-467 et seq. of the General Statutes, as amended, as the sole and exclusive bargaining agent for the purpose of collective bargaining on matters of wages, hours and other conditions of employment for all ParaEducators (Special Education ParaEducators, Kindergarten Aides and Reading Assistants), excluding employees who work less than twenty (20) hours per week, seasonal and temporary employees who work less than sixty-five (65) days per year, substitutes and supervisors within the meaning of the Municipal Employee Relations Act and all other employees of the Windsor Locks Board of Education.

Section B. The Board shall maintain job descriptions for ParaEducators and shall discuss any proposed modifications to the job description with the Union in advance of the adoption of any such modification. Employees shall be notified when their job description has been changed.

ARTICLE 2 NON-DISCRIMINATION

The Board and the Union shall continue their practice of non-discrimination with respect to race, color, religion, sex, age, national origin, marital status, disability, sexual orientation, gender identity, or membership in or participation in the activities of any employee organization.

ARTICLE 3 MANAGEMENT RIGHTS

Section A. It is recognized that the Board retains and will continue to retain whether exercised or not, the sole and unquestioned right, responsibility and prerogative to direct the operation of the Windsor Locks Public Schools in all its aspects including, but not limited to, the acquisition, control, and regulation of all property, the employment and supervision of all employees and the organization and administration of the program of the Windsor Locks Public Schools.

Section B. These rights, responsibilities and prerogatives are not subject to delegation in part or in whole, except that the same shall not be exercised in a manner inconsistent with or in violation of any of the specific terms or provisions of this Agreement. No action taken by the Board with respect to such rights, responsibilities, and prerogatives, other than as there are specific provisions herein elsewhere contained, shall be subject to the grievance provisions of this Agreement.

ARTICLE 4 UNION MEMBERSHIP/SECURITY

Section A. All employees in the bargaining unit during the life of this agreement shall retain the freedom of choice to become a member of the Union or not commencing on the thirtieth (30th) day following the execution of this Agreement or the thirtieth (30th) day following their employment, whichever comes first.

Section B. Union dues shall be deducted by the Board from the paycheck of each employee who signs and remits to the Board an authorization form. Such deduction shall be discontinued upon written request of an employee thirty (30) days in advance. Such request shall be sent to UE 222, payroll and the union president(s).

Section C. The Board will remit to the Union amounts collected once each month, together with a list of employees from whose wages these sums have been deducted.

Section D. The Union agrees to indemnify, save and hold the Board harmless from any claims, suits, losses, damages, judgments or expenses, including attorney's fees arising out of or in any respect related to the application or operation of this Article or to the deduction of dues or fees.

ARTICLE 5 SENIORITY

Section A. For the purpose of this Agreement, seniority (start date) is defined as the total length of service within the bargaining unit beginning on the first day of continuous employment, if employees who are employed at the commencement of this Agreement shall retain their earned seniority, as set forth on a separate listing to be initialed and retained in the employees' personnel files.

Additional seniority shall not accrue during unpaid leaves of absence of between three (3) months and one (1) year, except for the birth or adoption of an employee's child or during layoff up to two (2) years, but accrued seniority will not be lost by the employee because of such leave.

Section B. In the event two or more employees have the same start date, the tiebreaker shall be the date and time of hire, followed by total time of service with the Board of Education.

Section C. A seniority list shall be furnished to the Union annually on or about October 1st of each year, including name, date/time of hire, and school where the ParaEducator works; and unless mistakes are brought to the attention of the Superintendent of Schools in writing within one (1) month the list shall be considered conclusively correct.

Section D. New employees shall be considered probationary during the first ninety (90) school days of employment. Probationary employees shall have a sixty (60) day performance evaluation and thereafter, annually, a review with the building principal, who shall notify them of their progress. During the probationary period such employees shall not attain seniority rights under this Agreement and shall be subject to discharge by the Board, without recourse to the Grievance Procedure. At the successful completion of the probationary period, seniority shall be retroactive to the commencement of employment.

Section E. The Board agrees to provide the employee with training appropriate to their assignment to reflect the curriculum changes, as well as ongoing pertinent information regarding student(s).

Section F. No special training of a ParaEducator shall cause super seniority to occur in terms of layoffs or job eliminations.

ARTICLE 6 LAYOFF AND RECALL

Section A. In the event that a position is eliminated entirely or reduced to fewer than five (5) hours per day, the employee with the least seniority shall be laid off first. The employee in the position which is eliminated or reduced to fewer than five (5) hours per day will be given any vacant position covered by this contract for which he/she is qualified and competent, or, if no vacancy exists, the position held by the least senior member, provided he/she is qualified and competent. The employee with the least seniority shall be displaced.

The Board shall notify the affected employee and the Union President at least fourteen (14) days before the effective day of a layoff and will provide the affected employee with pertinent information regarding unemployment, retirement, and COBRA benefits.

Section B. Employees who are laid off under this Article shall have recall rights as follows:

1. The affected employee placed on layoff shall automatically be added to the recall list.
2. For a period of eighteen (18) months the affected employees shall have the right to be recalled to any vacant/new bargaining unit positions.
3. No person shall be newly employed until all persons on the recall list have been notified by certified mail, and such persons either are offered reemployment, or declined such reemployment offer. An employee who declines an offer of reemployment shall forfeit recall rights. Failure to respond in writing to a notice of an opening within seven (7) calendar days from notice of such vacancy shall be deemed a refusal to accept reemployment.
4. A bargaining unit member on recall shall not lose their seniority or accumulated sick leave.

5. The employee recalled to a bargaining unit position shall be returned to their previous wage/step level.

ARTICLE 7 DISCIPLINE

Section A. No employee shall be disciplined, except for just cause. Where appropriate, the Board shall follow the principle of progressive discipline – written oral warning, written warning, suspension, and termination.

Section B. All suspensions and discharges must be in writing with reason given, and a copy of the suspension or discharge shall be given or mailed to the employee and the Union simultaneously. For grievance purposes, the informal resolution shall be waived in these cases and the timeline for step one (1) of the grievance process shall not begin until the Union has received notification of the suspension or discharge.

Section C. Employees shall have the right to see and review their personnel file at least twice a year by prior appointment with the Director of Human Resources. Employees may request that the Director of Human Resources correct or amend material in the file. Failing mutual agreement, the employee shall have the right to respond in writing to all items in their personnel file. Such responses shall be made part of the file.

Section D. Each employee will be given copies of any and all documents and formal evaluation reports placed in the employee's personnel file.

Section E. Employees may request a copy of their personnel file one time per year.

ARTICLE 8 GRIEVANCE PROCEDURE

Section A. A Grievance shall mean a complaint by any employee or group from within the bargaining unit represented by the Union that there has been a violation of a specific Section of this Agreement. The grievance must be in writing and must set forth the specific sections of the contract alleged to have been violated. The purpose of the Grievance Procedure shall be to resolve, at the lowest possible administrative level, issues which may arise from time to time with respect to the provisions of this Agreement. The steps of the Grievance Procedure shall be as follows:

Section B. – Procedure

1. Informal Resolution

An employee who believes that he/she may have a grievance will normally first discuss the matter with his/her principal or supervisor in an effort to resolve it

informally. This step is optional and does not automatically waive the time limit for filing a grievance at Step 1.

2. Step One

Within ten (10) calendar days of the date the grievant knew or reasonably should have known of the event or occurrence which gives rise to the grievance, that employee or the Union must present a written statement of the grievance to the Building Principal or Supervisor, or the grievance shall be deemed waived. The Building Principal or Supervisor shall meet with the Grievant and the Union within five (5) working days following receipt of the grievance. A written decision shall be given to the employee and the Union within five (5) days following such meeting.

3. Step Two

If the Union is not satisfied with the disposition of the grievance at Step One, the written grievance shall be presented to the Superintendent or his/her designee within ten (10) calendar days of receipt of the decision at Step One. The grievance shall be considered by the Superintendent or his/her designee, who shall meet with the Union representative, and other interested parties within ten (10) calendar days of its receipt. The Superintendent or his/her designee shall render a written decision within five (5) calendar days of the close of the hearing.

4. Step Three

Should the Union be dissatisfied with the answer of the Superintendent or his/her designee, within twenty (20) calendar days of receipt of the Superintendent's or his/her designee decision it shall notify the Superintendent or his/her designee in writing of its desire to proceed to arbitration and submit such grievance to arbitration. Any grievance submitted to arbitration shall be referred to the Connecticut State Board of Mediation and Arbitration, or, by mutual agreement, to the American Arbitration Association. Only the Union and not any individual employee may proceed to arbitration. In any arbitration proceeding, the arbitrator shall hear and decide only one grievance unless the parties mutually agree to present more than one grievance. The arbitrator shall comply with all terms of this Agreement and shall have no power to add to, subtract from, or in any way modify the terms and provisions of this Agreement. The arbitrator's decision shall be final and binding upon the Board, the Union and the grievant.

Section C. Any grievance not taken to a higher step in the grievance procedure in accordance with the above time limitations shall be deemed settled on the basis of the last decision rendered by the Board's representative and shall not be subject to further processing. However, any of the above time limits may be reduced or extended by mutual agreement which must be reduced to writing and signed by both parties.

The initial filing period may be extended only if informal discussion has taken place within that time limit and the parties mutually agree, in writing, to an extension for the purpose of continuing efforts at informal resolution.

The parties may mutually agree to use the expedited arbitration proceedings of the Connecticut State Board of Mediation and Arbitration.

Failure of the Board's representative to respond at any step shall be deemed to be a denial of the grievance on the last day for response and shall permit the grievant or the Union to proceed to the next step.

Section D. By mutual agreement, the parties may request the services of a State Mediator prior to arbitration of a grievance.

Section E. The Union shall have the same rights to process a grievance as an individual employee.

Section F. All documents, communications and records dealing with the processing of grievances and other Union issues shall be filed separately from the personnel files of the participants.

ARTICLE 9 HOURS OF WORK AND OVERTIME

Section A. Hours of work and the work year shall be determined by the Board of Education consistent with the operational requirements and the educational interests of the district. The minimum work year shall be 184 workdays, and the minimum workday for bargaining unit members shall be 6.5 hours per day on days when school is in session. The Building Principal or Director of Special Services may modify this schedule and will discuss such modification in advance with the bargaining unit members and the Union.

Section B. Each employee shall be provided with a non-paid, duty-free lunch period with the exception of those ParaEducators who are required to be on call for a student during lunch. Employees who are on call shall be paid for the lunch period.

Each employee shall be provided with one paid fifteen (15) minute break per day, to be scheduled at the discretion of the immediate supervisor. The 15-minute break will come at the conclusion of the student day on ½ days. Early release days are professional development days.

Section C. If an employee is required to work in excess of forty (40) hours in a work week, the employee shall be paid at the rate of time and one-half (1½) the regular hourly rate. If an employee is called in to work overtime on Saturday or Sunday, he/she shall be paid at one and one-half (1½) times his/her regular hourly rate. Overtime, if

any, must be approved by the Superintendent or the Director of Special Services in advance.

Section D. Employees who are dismissed early or called to work late shall be paid for a minimum of three (3) hours. However, if the shortened day is counted as a full legal school day, employees shall be paid for their regularly assigned hours for that day. The building principal or other appropriate administrator shall determine when the employee may be released.

ARTICLE 10 PROFESSIONAL DEVELOPMENT/TRAINING

Section A. Employees shall be required to attend convocation prior to the first day of school and the rest of the day they shall receive professional development training. Notice of the dates of mandatory training and convocation shall be furnished by August 1st. Each employee will be given one hour to meet with their perspective teacher and or supervisor. At that time the teacher and or supervisor will discuss pertinent information regarding student(s) appropriate to the assignment whenever possible.

All ParaEducators shall be required to attend 18 hours of mandatory professional development each year. No appointments shall be made on professional development days that shall take a ParaEducator away from attending mandatory training unless there are extenuating circumstances. In those cases, notifications shall be sent by the ParaEducator in advance, when possible, to the Superintendent or Human Resources for approval of the time off. Unless the Superintendent or his/her designee notifies the employees with at least one (1) week advance notice that attendance is not required, in which case the employees shall be released early that day without pay.

One full day of professional development shall be provided on Election Day based on the approval of the school calendar.

If employees are required to remain beyond their regular workday for training or workshops, they will be paid for such time, receive CEU credit and will be notified at least one week in advance.

Section B. The Board and the Union agree that a "Professional Development Committee" will be established, consisting of one ParaEducator from each Building and the Special Education Director. The Committee will meet twice per year to discuss and determine what topics would be most beneficial to bargaining unit members and develop a schedule for training to occur. State mandated training takes precedence over the Professional Development Committee.

If the Administration requires an employee to attend any training or conferences, such employee shall be reimbursed reasonable expenses associated with said training or conferences, as approved in writing in advance.

ARTICLE 11 BULLETIN BOARDS

Section A. The Employer agrees to provide bulletin board space which may be used by the Union for the following notices:

1. notices of Union meetings.
2. notices of Union elections and the results where they pertain to the employees.
3. notices of Union recreational and social events.

Section B. A copy of said notices shall be furnished to the Superintendent in advance.

ARTICLE 12 SICK LEAVE

Section A. Employees shall be entitled to twelve (12) days sick leave per year, commencing, on the first working day of each school year, for personal illness which necessitates absence from work. The Board may require doctor's verification. Unused sick leave may accumulate from year to year up to a maximum of one hundred forty-six (146) days.

Up to five (5) days sick leave may be used each school year if an employee must attend to a member of his/her immediate family due to the family member's illness. For the purpose of this Section, immediate family shall include only a spouse, child, parent, mother-in-law or father-in-law, grandparent or grandchild of the employee, or any person who is domiciled in the employee's home.

In the event of an emergency or illness which requires a ParaEducator to leave work prior to the end of their normal workday – he/she shall be paid for the time worked and shall be charged sick time only for the amount used.

Section B. Upon voluntary termination or retirement, an employee who has accrued the maximum sick leave accumulation shall be paid eight hundred dollars (\$800).
