Good Evening,

We were notified today by PowerSchool that they were subject to a cybersecurity incident on December 28, 2024. PowerSchool is the provider of our student information system, along with many districts across the State.

The extent of the breach is not yet known, but it is possible that some student and staff data was compromised. Windsor Locks Public Schools does not collect/store social security information in our PowerSchool student information system.

PowerSchool has indicated that they don't anticipate the data being shared or made public, and they took action to ensure that any compromised data has been deleted without any further replication or dissemination.

As more information becomes available we will provide you with an update.

If you have immediate concerns please contact our Director of Technology, Andrew Goodwin at agoodwin@wlps.org.

Thank you,
Shawn Parkhurst
Superintendent of Schools
