Pedigree Introduction

Use the symbols below to create a family tree (Pedigree) for your family. Go back to your grandparents if possible. Provide as much information as you can. Find out how each member of your family folds their hands (which thumb is on top). Record this information on the back.

Male	Siblings	
○ Female	Dizygotic twins	
Deceased	Monozygotic twins	
Affected with trait	9.5	
Carrier for trait	Adopted	
married	Pregnancy	
Divorced or separated		
☐┬○ ○ ☐ No offspring
