Reflection Essay – Earthquake

The earthquake that your group researched had a global impact which makes it one of the most significant earthquakes ever. Discuss the effects of your earthquake and connect it to global issues such as energy production, environmental protection, treatment of poor countries, etc. Use the RATE format to structure your short one or two paragraph response.

This image shows a single sheet of white paper with horizontal ruling lines. The lines are evenly spaced and run across the width of the page. There are no margins, text, or other markings on the paper.
